We've detailed the current All England Dance definitions of each class for your information which can be found on their website.

DANCE TECHNIQUES - ALL ENGLAND DANCE DESCRIPTORS

Classical Ballet

Dances should include adage and allegro. Titles, characterisations and handheld props are not allowed. Costumes should ensure that every aspect of classical technique is clearly visible.

Repertoire is not allowed.

Stylised Ballet

The communication of an idea through movement, danced with Classical Ballet technique when using hand props or with traditional style, such as Hornpipe, Spanish, Scottish, Tarantella. Soft or pointe shoes must be worn.

Modern Ballet

A fusion of Modern and Classical Ballet genres combining the classical technique, which may be performed with a parallel line of leg and contemporary movement. This form may be performed bare foot but usually requires the use of soft or pointe shoes.

Contemporary

Technically the work may reference Limon / Horton / Graham / Cunningham / Release / Flying Low / GaGa or any other recognised Contemporary technique and should be underpinned with a strong classical base. The work should show an understanding of choreographic content and a clear reference to the defined principles of contraction and release, fall and rebound, use of breath and gravity and successive or initiated movement. Whilst there is an athletic strength to the work, acrobatic work should be minimal and used only to enhance the choreographic work.

Classical Greek

Following the technique of Ruby Ginner, classical Greek is performed barefoot and essentially showing the use of opposition and relaxation through the movements. Dances should reflect the title. Myths and Nature Themes are acceptable provided the movements are given their appropriate interpretation that relates to one or more of the seven different styles in this technique.

National

All traditional music, songs and technique appropriate to the country of choice are acceptable. Younger competitors are expected to demonstrate traditional performances. Seniors may introduce theatrical performances that are clearly based on a national tradition.

Character

A dramatic, artistic or sometimes humorous presentation of:

- A story /character from any book, poem, play, film, history, cartoon, original created theme, etc.
- The mannerisms and essential features of animals, birds, insects, reptiles, virus, and topical interpretations of abstract themes.

Appropriate technique for the character should be used.

Modern

An all-inclusive term applied to an ever-evolving performing art. It includes lyrical modern, Jazz, Stage Contemporary, Hip Hop and all styles of Modern Theatre Dance. Acrobatic, Gymnastic, and Street Dance are also acceptable when combined with a recognisable dance technique and a theatrical quality. All routines should observe safe dance practice.

Lyrical Modern

Based on Modern technique, lyrical modern should show flowing movements that express the emotion of the music. Gymnastic and acrobatic work is not allowed. Floor work should be kept to a minimum.

Tap

All styles and developments in technique, including characterisation and humour, are encouraged providing the projection, beating and presentation of the routine is fully sustained and appropriate.

Song & Dance/Musical Theatre

The song sets the scene, mood and style of the dance. Pitch and accuracy whilst singing are essential. The dance should provide continuity and reflect the words of the song, which should be sustained throughout. The overall performance should show a combination of Song, Dance and Drama/Acting.

Child Protection Policy

The British and International Federation of Festivals for Music, Dance and Speech work for amateur festivals everywhere to help create thousands of educational performance opportunities for children and young people each year.

The Federation, and our member Festivals, are committed to ensuring safe environments for children and young people and believe that it is always unacceptable for a child or young person to experience abuse of any kind. We recognise our responsibility to safeguard the welfare of all children and young people, by a commitment to recommend best practice which protects them.

This policy applies to our Board of Trustees, paid staff, Adjudicator members, volunteers, students or anyone working on behalf of the Federation and our member Festivals.

We recognise that:

- the welfare of the child/young person is paramount
- all children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have the right to equal protection from all types of harm or abuse
- working in partnership with children, young people, their parents, carers and other agencies is essential in promoting young people's welfare.

The purpose of the policy:

- to provide protection for the children and young people who participate in our festivals, including the children of festival members
- to provide staff and volunteers with guidance on procedures they should adopt in the event that they suspect a child or young person may be experiencing, or be at risk of, harm

We will seek to safeguard children and young people by:

- valuing them, listening to and respecting them
- adopting child protection guidelines through procedures and safe working practice for staff and volunteers
- recruiting staff and volunteers safely, ensuring all necessary checks are made
- sharing information about child protection and safe working practice with children, parents, staff and volunteers
- sharing information about concerns with agencies who need to know, and involving parents and children appropriately
- providing effective management for staff and volunteers through supervision, support and training.

The Federation will review this policy each year in November in line with Safe Network guidance or sooner in light of any changes in legislation or guidance. All changes will be communicated to our member Festivals in time for the start of the new Festival year.

Creating Safer Festivals for Everyone

The Federation and its member Festivals use the following policies and procedures to create **Safer Festivals** for everyone:

1. A single, definitive Child Protection Policy adopted by all Federation Festivals.
2. Designated Festival Safeguarding Officers (FSO)
Slough Arts Festival (Lynne Casey)
Phone: 0777 5566971
3. Best practice advice in the form of **Safe Working Practice** and **Festival Child Protection leaflets**, with support and training for all Festival staff and volunteers, including clear reporting procedures for anyone with a concern about a child.
4. Appropriate recruitment and induction procedures for all new Festival staff and volunteers responsible for providing safe environments for everyone attending / performing at a Federation Festival.
5. All Festival committee members and volunteers wear a Festival identification badge. All teachers/parents/guardians /carers are asked to report all incidents of any nature to anyone wearing a badge. All reported incidents will be handled in accordance with the **Safe Working Practice** and **Festival Child Protection** best practice advice. In addition, we will ensure the availability of a quiet area / room where concerns can be expressed in private.
6. For the duration of a Festival all teachers/parents/guardians/carers are responsible for the continuous care and supervision of their own children/pupils. If they are unable to attend personally, they must delegate their responsibilities to an identified adult and ensure that their children/pupils are aware of the identity and name of the person responsible for their care. This includes supervision throughout all Festival venues and public areas.
7. Changing accommodation is provided. Single sex dressing rooms will be available plus a 'family room'. Changing rooms are not supervised by Festival staff. Parents of younger children may accompany them to the side of the stage, but they must be in possession of an admission ticket.
8. No unauthorised photography, audio or video/digital recording of children and young people is allowed at our Festivals. Where parents/guardians/carers do not wish photos to be taken at all, then the responsible adult attending should ensure that their child is not included in official photos.
9. Some children and vulnerable adults may have specific needs in order to take part. If this is the case, we ask the responsible teachers/parents/guardians/carers to contact the Festival prior to arrival. The Festival actively seeks wherever possible to meet these needs but must know beforehand in order to prepare support – or to advise that help cannot be provided on this occasion.
10. The Festival's Child Protection Policy and approach to Creating Safer Festivals for Everyone is published explicitly in our Syllabus, Programme and on our website. By completing and signing the entry form all parents / guardians / carers and teachers of entrants under 18 confirm that they give (or have obtained) the necessary consents for the entrants to take part in the Festival. Without consent the entry to the Festival cannot be accepted.
